My dear Koppiker,

This is to acknowledge copy of your letter to Mr. Masani endorsed to Mr. Dandeker. I understand that you have arranged a meeting of the Regional Council on Monday, the 6th of May, at 6 p.m., at which Mr. Masani will be present and at which you propose discussing the circumstances leading to his resignation. In the meanwhile, Mr. Dandeker has asked me to inform you that show cause notices have been served on Mr. U. N. Mahida, the candidate and five others, who had sponsored his candidature. They have been given 15 days to submit their explanation.

Mr. Dandeker's movements are not yet certain in regard to the possibility of his attending the Regional Council meeting. I shall inform you before that date if Mr. Dandeker can be present.

The National Executive had, at its last meeting in New Delhi on April 14, in response to several requests from members of the General Council, convened an emergent meeting of the Council in Madras on June 1 and 2. I do hope that members of the Council from Bombay will be present at this important meeting.

With kind regards,

Yours sincerely,

(S. V. Raju)
