My dear Friend.

We are all very much shocked to hear about the resignation from the National Executive and Parliamentary Bd. All of our U.P. Friends are similarly disturbed at the sad and damaging news. We all love Mr. Masani as our leader and best friend. It is because of his efforts that the Party has captured its present position.

I am sending the letter signed by me as desired by you and hope that emergent meeting will be called to discuss the situation.

With best and all cooperation from me and my U.P. Friends to the party.

I am.

Yours fraternally.
