My dear Madhubhai,

Thank you for your circular letter dated 31st March.

I appreciate your anxiety about the recent happenings in our party.

I however understand that the National Executive and the Central Parliamentary Board are meeting in Delhi on 13th and 14th April and will naturally consider these developments. You will perhaps agree that we may await the outcome of their deliberations before taking any action.

Kind regards,

Yours sincerely,

(Chimanbhai Desai)
