Dear Mr. Kol,

Many thanks for your letter of 28th October, and your kind words of greeting. I shall certainly pass your message on to Professor Ranga when I see him in the next few days.

Like you, I hope our two Parties will retain close contact. I heard from Mr. Sagai, who was here in Bombay the other day, that your Party had done fairly well in the recent elections. He spoke very well of your Group.

Our office in Bombay will be mailing you relevant literature.

With our best wishes.

Yours truly,

(M. R. NASANI)
