Dear Principal Murari,

Thank you for your letter of 25th November. I am afraid it reached me once again in Bombay when I had already left Delhi.

I expect to be in Delhi from Christmas to the New Year, but would suggest you telephone me during that time at 45563, and make an appointment before you come for a talk at 40, Canning Lane, New Delhi.

Yours truly,

(M. R. MASANI)
