Dear Mr. Koshti,

I have seen your letter of 26th November to Mr. Hutheesing.

You are welcome to fix up two hall meetings to be addressed by me, one on the 16th and the other on the 17th December, provided both of them are not before 6 p.m., and in both cases I can speak in English.

For topics, I would suggest:-

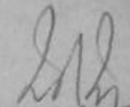

"Why Swatantra ?" and

"Who is outdated ?"

I doubt if there will be very much left to say to a Press Conference by the time I have given these two talks about the Party and its affairs. I shall be glad to answer questions at these Meetings.

Would you be so good as to let me have an early line confirming these engagements, and giving me details, at the above address.

Yours sincerely,

(M. R. MASANI)
