Dear Sir,

We the members of U. P. P. Chhatra Sangh, welcome the ideology of the All India Swatantra Party.

We met a bundle of youth organisations in Calcutta and discuss the ideology of the Swatantra party. All of them preferred the ideology. At the time of discussion some of them suggested us to call a Swatantra youth-convention in Calcutta under the direction of the All India Swatantra Party. My colleague suggested me to have a contact with you for proper direction for further programme.

~~Therefore~~, I hope that our humble request will be cheered by you with proper direction and guidance.

Yours loving younger

R. N. Rai
