Dear Mr. Sampath Iyengar,

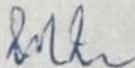

I have just received your letter of 23rd November and ^{await} shall/a further communication from you in regard to my stay in Calcutta from December 4 to 7.

I am afraid it will be quite out of the question for me to be in Calcutta on January 2 and 3 as I have already made a firm commitment with Shri Jayaprakash Narain to be with him at a meeting in Banaras on January 1, 2 and 3. You will kindly, therefore, excuse me on this occasion.

Mr. Munshi was here till day before yesterday but has now left for Bombay.

Yours sincerely,

Mr. A.C. Sampath Iyengar,
