My Dear Mr. Masani,

I hope, you are doing well. I have been addressing letters to you and Rangajee and you might be aware of our progress in Bihar.

By this letter I wish to invite your kind attention to the question of finance. We are meeting our current expenses and hope to raise some funds for the purpose in the course of time. But the needs will grow with the growing volume of work and resources will be needed on a big scale. May I therefore request you to kindly inform me of the extent and the scope of the funds which will be available to us from the Centre. Hope, you will kindly give your serious attention to this problem.

Awaiting an early reply.

With kind regards,

Yours sincerely,

Lamakhya Masani
PRESIDENT.
