Dear Mr. Masani,

In accordance with the suggestion made by Shri Rajaji and assented to by Prof. N.G. Ranga, I am arranging for a "Preparatory Conference of the Swatantra Party for the City of Calcutta" to be held at Calcutta on the 27th of December this year. As these talks were going on when you were preoccupied with the Chairman's work on the 31st October at Madras, and as you left the Hall suddenly, I could not acquaint this matter to you then. I am writing this to you sufficiently ahead so that you may keep the 26th, 27th & 28th of December free for the Calcutta engagements. It is necessary that the Executive Committee and yourself should meet on the 26th so as to settle the Resolutions to be moved on the next day, i.e., 27th. So, the presence of you all necessary on the 26th itself.

I have written in this sense to Prof. Ranga and also to Sri S.Y. Krishnaswamy to communicate the same to you.

I shall feel glad to hear from you in reply confirming the arrangements mentioned herein.

Kind regards,

Yours sincerely,

A.C. Sampath Iyengar
