12th November, 1959.

My dear Roy,

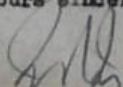

Thank you for your letter of the 10th instant. I had planned to come to Calcutta on the evening flight from Delhi on the 4th of November but in view of Mr. Mukherjee's very kind invitation, I am arranging to get a seat on the morning plane so as to be there for the Cocktail Party, which you say he would like to arrange. If by any chance, I return to Bombay before the 4th of November, I shall take the morning plane from here and shall still be there in good time for the Cocktail Party. Please convey Mr. Mukherjee my thanks for his kind thought.

I am glad to know that you have 40 potential members of the Party but am perplexed why you have not got the membership books still. In Bombay we have distributed the books widely among our contacts. So please get the membership books from either Sardar Lal Singh or elsewhere. *The Secretaries*

I shall be in Delhi at 40 Canning Lane from 16th instant onwards and shall be glad to see you then.

With kind regards to Mrs. Roy and yourself,

Yours sincerely,

(M. R. Masani)
