Dear Mr. Nasani,

Many thanks for your
kind letter. I shall be writing to you in
detail tomorrow or the day after. In the
meantime may I take the liberty
to suggest that we may have the
meeting on the 25th, if both Mr.
Munshi & your goodness can stay here
till that date. All three of you would
be here on the 16th & we shall have
sufficient time at our disposal to give very
wide publicity to our first public meeting.
I want to have the whole ^{help} full - completely so
as to give the people very good 'first
impression'. Please, therefore, consult Mr.
Munshi & send me a telegram tomorrow at the

address given above to enable me to
have the hall booked for the 25th evening,
if it suits you both. I shall enquire
about Prof. Ranja's programme after I hear
from you. Pray forgive hurried writing.

With deep personal regard,

Yours sincerely,
Edward Asker

P.S.

Both S. L. Smith + Mr. Oak are
out of station + are expected to be
back by that date. Ed
