9th November 1959.

My dear Basant Singh,

Thank you for your letter of 30th October. I am delighted to know what a great success the Patiala Convention was. In fact, I heard about it from Professor Ranga when we were together with Rajaji in Madras last week.

I shall be in Delhi from the 16th instant onwards and will be delighted to see you. In any event, we shall meet at Hyderabad on 9th December.

Yours sincerely,

Sardar Basant Singh,

Patiala.
