7th November 59

My dear Khara,

Since I wrote to you on 5th November, I had a talk with Mr. K.M. Munshi yesterday. He showed me a telegram which he had received from Mrs. Manmohini Sehgal making the same inquiry as you had made to me. We discussed this matter and I encouraged Mr. Munshi to wire back to Mrs. Sehgal that if it was not possible for the landlord to wait till November 17 when both Mr. Munshi and I would be in Delhi, you could go ahead and rent the premises at Rs. 750. Till I met him, Mr. Munshi was inclined to a negative reply but I encouraged him to send a positive answer as I felt that it would be a pity to miss the good premises and I am sure we could put them to good use.

I shall look forward to seeing you when I am in Delhi on the 16th instant when I reach by the morning plane.

Yours sincerely,

Mr. Ishwardas Khara,

P.S. Yesterday Mr. Munshi and I discussed the desirability of a public meeting under the auspices of the Swatantra Party in Delhi when Professor Ranga, he and I are all there. This will be from the 17th to the 21st instant. Mr. Munshi was originally opposed to a public meeting in Sapru Hall but has now agreed that this should held without further delay as it is very odd that there should not have been a single meeting explaining the Party's principles to the intelligentsia in Delhi. Will you please, therefore, in consultation with your colleagues, book the Sapru Hall for one of those dates and inform Professor Ranga, Mr. Munshi and myself accordingly?
Given, it will have to be religiously published.
