My dear Masani,

In Coorg the bye election went against the Congress and a P.S. P. came out successful with the active help of Swatantra workers. It is likely that the new member may join the Swatantra party when formed in the Mysore assembly. Our friend and a great supporter of the Federation and Swatantra party who was a Congress M.L.A. in Coorg Mr. G.M. Manjunathayya, who attended the Bombay Convention and the Mangalore Conference has undertaken to call a Swatantra Party Conference at Mercara on the 6th Dec. Mr. Imam M.P. has consented to inaugurate and Mr. V.P. Menon has consented to preside. I am earnestly requested to secure your presence there. Kindly oblige. Awaiting to hear from you. The air route will be nearer from Bombay via Mangalore. Mercara is 85 miles from Mangalore. We will arrange a car to and fro.

Yours sincerely,

12.11.1959
