My Dear Rangajee,

The Provincial Committee of the Janata Party met at its Patna Office on 25.10.59 under my presidentship and ratified the Resolutions on its merger with the Swatantra Party. There after it converted itself into the Provincial Committee of the Bihar State Swatantra Party and held deliberations on the mode of organisation and other matters and passed Resolutions. Copies of the Resolutions are being forwarded to you. By this letter I invite your attention to one particular Resolution whereby the Bihar State Swatantra Party has extended an invitation to the Organising Committee of the All India Swatantra Party to hold its next session at Patna. I, therefore extend this formal invitation and hope, it will be accepted. The fixation of time is left to the Centre though February 1960 will be a convenient date for us.

Yours sincerely,

Kamakhya Narain
