Dear Mr. Mariswamy,

I have your letter of 20th October. Now that I am coming to Madras and functioning at two of your conferences in Madras and Tanjore respectively, I think it would be better if you do not expect me to come again for the other conferences at Madurai and Coimbatore. Also I shall be in Delhi at that time attending a session of parliament and it may not be possible for me to leave Delhi in view of various important issues that may come up for discussion. Even if I can get away from Delhi for two or three days' time, it may be more important from the Party's point of view that I should visit Bihar, Bengal or U.P. on organisational work.

In view of this, I would appreciate if you do not count on my coming so far South again within a couple of weeks. If you wish, we can discuss this when I come to Madras on the 31st.

Yours sincerely,

Mr. S.S. Mariswamy,
Secretary,
