my dear Mustafa

You will get a card  
There is to say that I have  
8 Afghan letters and conversation  
Boards for which thanks

Mr. Bhailal Das  
will have all cooperation  
from me with his work, and  
discusses whenever he likes.  
I went to his house three  
in Aug. Sep. and had casual  
talks. He knows me since 10  
years and I have always  
supported him: and it will be  
a pleasure to work with  
him as a colleague for  
the cause of the Swabian  
Party.

My work continues as  
usual in a number of  
spheres in the manner  
we have done for over 20 years
