My Dear Shri Masani

Hope this finds you hale and hearty .
Owing to my pre-occupation here I could not attend the convention of the Swatantra Party in Bombay. But Shri Puranikji attended it on behalf of our organisation. I am deeply interested in the organisation of the Swatantra Party in the Gwalior region. Along with me are some M.L.As ; and influential persons, a few who knew my associations with you approached me with surprise as to why I was not active about the organisation of the Party at Gwalior. Prof. Ranga is known to me, but I do not know his whereabouts. Any way, please instruct your head office to send me the necessary literature and other instructions about the Party organisation in Gwalior region. I think Mr. Menon also recognises me as I had had with him ~~many~~ talks while I was M.L.A. in Madhya Bharat.

Hope to hear from you at the earliest

Yours very sincerely,

H. S. Dwivedi
