Dear Mr. Parthasarathy,

I just received your letter of 18th October and thank you for your kind invitation.

I much regret that since I will only be briefly passing through Madras on the 31st and will be leaving for Tanjore on the same evening and since my time during the day will be taken up with the District Conference of the Swatantra Party, it would not be possible for me to take on any other public engagement on this occasion.

Yours sincerely,

Mr. N. Parthasarathy,
