Dear Mr. Narayan,

with I am delighted to get your letter of 14th October and to read with you say. I quite appreciate the difficulties under which you labour and sympathise ~~with~~ your need for literature and guidance.

Unfortunately, as at present I am only a member of the Central Organising Committee and do not wish to interfere in the organisational work of the Party which is in other hands. However, I am enclosing herewith a copy of the handbook of the Bombay Convention which will give you some useful material about the Party. I am also asking the Bombay office of the Party to send you 500 copies of the Statement of Principles in English for your use. This will come to you under separate cover.

I wish your effort every success and hope it will be possible for us to meet before long.

Yours sincerely,

encl.
