Dear Mr. Mariswamy,

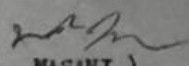

I have your letter of 16th October 1959.

I am afraid there is no time for me to write a new article for your Souvenir. In any case, I shall have to prepare a speech for the occasion. I am, however, sending you a tear sheet of an article of mine which has just appeared in Life International on the Swatantra Party. It has been much appreciated in Europe as a lucid exposition of the purposes of our Party. If you wish to publish it in your Souvenir, you are welcome to do so provided acknowledgement is made that it is reproduced from Life International of September

Yours sincerely,

encl.

Mr. S.S. Mariswamy,
Secretary, Swatantra Party (Tamil Nad),
