My dear Sri M.R. Masani,

I am happy to receive your kind letter of the 10th instt: and thank you so much for the same.

Now, that the Rainy season is over we have to plunge heart and soul in our organisational campaign. I hope and trust that as you are fresh from your tour of the Continent you will certainly put in your energy and experience in the drive.

We in Bihar are going to launch our campaign very soon. Our programme is to hold the State Convention at Hazaribagh in the middle of December and my tour and enrolment drive will both precede and follow it.

I am eagerly looking forward to our meeting at an early date, so that we could take some concrete steps about our work in Chotanagpore particularly. We have to view the Jharkhand problem also in its right perspective. I expect you to kindly enlighten us on it.

With kind regards,

Yours sincerely,

Samakhyar Sarain
