Dear Shri Masani,

We are very much interested in the formation of your party here. In this connection we would request you to contact Dr. Jogindra N. Kaul, Ex-Socialist Leader of National Level. We can safely assure you that if once he agrees to join the party at least 5 thousand members will join with him besides several hundred workers in different Trade Unions. Shri Kaul is a much prominent Ex-Socialist Trade Union Advisor, journalist and a great personality possessing control over all the section of the masses.

With his headquarter at Simla he has gained a good deal of popularity in Himachal Pradesh and Punjab also.

Therefore, we would request you very kindly to set your machinery on work to persuade him to join the party so that we all could join hands to save India from Congress Loot.

Yours faithfully,
