Dear Mr. Masani,

In continuation of my previous letter, I am again bothering you with a small request. Our Madras committee which is having its convention on the 31st Oct '59 has planned to bring out a Souvenir on the eve of the convention.

The Souvenir committee has decided to invite articles from you and a few others. I request you to kindly send within a few days an article in English for the Souvenir with a copy of your photo which is to go along with the article. As the time is very short, I will be greatly obliged if you send the article at your earliest convenience.

Thanking you,

Yours sincerely,

(S. S. MARISWAMY)
SECRETARY

Shri M. R. Masani,
