Ranga assured Jethadar Nagoke ji that he will be requesting you to deliver a special address at the Punjab Convention. Jethadar Nagoke jinow wants me to communicate you his request to kindly grace the Punjab State Convention on the 25th of October at 11-00 A.M. He and other friends will feel highly gratified if you very kindly take the trouble to come to Patiala and deliver your special address explaining and elucidating the aims and objects, the justification & the programme of the Swatantra party. On account of able & bold expositions regarding the stand of the Swatantra party inside and outside the Parliament ~~and have grown~~ the people on this side have grown enamoured to hear you in person. I have received numerous requests from various parties and many individuals to this effect and hope you will not disappoint us. The State Convention will be attended by about five thousand delegates drawn from all parts of the State. We are trying to make it a big and enviable affair. We are holding several district Conventions in preparation of the State Convention. Ad hoc district committees are being formed and enrolment drive is in full swing. The response is magnificent and the future holds a tremendous promise.

Jethadar ji and Raja Sahiban send you their compliments and remember you. With kindest regards and hoping to hear from you soon,

Yours sincerely,
