Ref. No. _____

Dated June, 1968

My dear Mr. Masani,

Thank you very much for your kind letter dated June 15, 1968, acknowledging my letter of 8th June and the enclosures. As we had anticipated, the merger talks have been scuttled at our end. I am enclosing herewith the following papers to enable you to advise ^{me} whether any further step needs to be taken in this respect:

1. Copy of the confidential note sent by Mr. Dandekar on his talks with Ch. Charan Singh.
2. Ch. Charan Singh's press statement on the break down of the talks.
3. My own press statement on the subject.
4. Copy of my letter to Mr. Dandekar.

I have not been able to meet Ch. Charan Singh after the break down of the talks. As soon as he returns to Lucknow, I will meet him, and write to you again whether you should come to Lucknow on 7th July or we can see you in Delhi.

With regards,

Sincerely yours,

(Ghanu Pratap Singh)
