24th June, 1938.

My dear B.P.,

Following on our earlier correspondence, I enclose herewith a clipping from the "Times of India" of 22nd June carrying the report of the speech I made in Bombay the previous evening. I think you will approve of the line I have taken regarding the B.K.D. initiative. Kunte was pleased with it. You may show the clipping to Mr. Charan Singh.

I await your reply to my earlier letter of June 15 in which I had asked you to arrange for a meeting between myself and Charan Singh either in Delhi or Lucknow.

Yours sincerely,

Encl: "
