My dear B.P.,

Just a quick line to acknowledge your letter of 8th June and the enclosure. I am personally well inclined to the proposal regarding our Party and the BKD, particularly after their showing guts over the dissolution of the Bengal Unit.

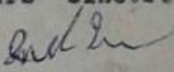

Your fears about sabotage by some people at our end are not unfounded. Something like this I think is already happening.

I leave for Calcutta and Jamshedpur tonight but, as soon as I am back on the 20th, I have an appointment with Kunte with whom I get on extremely well.

I shall be in Delhi from the 1st to the 9th of July for meetings of the PAC and the Railway Accidents Enquiry Committee. If Charan Singh is visiting Delhi during that time, I shall be happy to meet him and you too may come up. If not, I could fly down to Lucknow to spend a day with you and him on Sunday, the 7th, when I am free.

Do let me have a quick line in reply guiding me on this point.

Yours sincerely,

(M. R. Massani)
