Patna, dated

...
Subject:- Conference of National Democratic Parties.

My dear *Mahamaya Sahab,*

We have decided to convene a preliminary Conference of such parties and persons who believe in nationalism, secularism and democratic socialism as articles of faith and the prime need for maintaining the security and integrity of India and democracy in our national life. Some friends have been pressing for a move in this direction and our decision has been taken in response to their wishes and the felt need in the context of the present conditions prevailing in India.

The country is now passing, we also feel, through an unprecedented crisis and the situation is deteriorating from day-to-day. There is already no stable government in a number of States with all that it means in the life of the common people. The economy of the Country is getting ruined by parties of their politics being at cross-purposes even in matters relating to the most vital interests of the nation.

Extraneous influences also appear to be alarmingly active and at work in nefarious attempts in devious ways to dominate life and politics in India. The people must be made to wake up and stem the rot that has set in in course of 20 years of Congress misrule of which advantage is now sought to be taken by anti-national elements in extraneous interests.

It is, therefore, the crying need of the hour that like-minded parties and persons owing supreme allegiance to the Indian motherland and mindful of the welfare of millions of our Countrymen, must put our heads together and show the way-out of the dark clouds of the crisis through which the country is passing. The proposed Conference will be an attempt with your support and cooperation to take up the possibilities of building up concerted action of our national forces, *challenge of the times and explore the* better-to-fore disjointed and scattered.

May I, therefore, most earnestly invite your valued cooperation and participation in our endeavour at the proposed Conference which will be held on the 15th and 16th of June, 1968 at Cecil Hotel, Simla.

Kindly let me have your kind acceptance of this invitation and let me know the number of persons of your organisation that will participate in the Conference.
