General Secretary's Letter No. 307

Dear Friend,

14th Anniversary

August 1st this year marks the 14th Anniversary of the Swatantra Party's foundation. It is very necessary for us to observe this occasion in a manner as to make it unmistakably clear that the Swatantra Party is very much alive and active.

Kindly therefore ensure that all units in your State including your State Office hold flag-hoisting ceremonies and meetings to mark the occasion. Good speakers must be asked to come and speak on the Swatantra Party. Members of the Party present at this meeting should take a pledge to work sincerely for the Party and to uphold the ideals for which Rajaji founded the Party.

Yours sincerely,

Madhu Mehta
