General Secretary's Letter No. 306

Dear Friend,

Among the Clauses of the Party's Constitution amended by the Sixth National Convention is Clause 4(a) which was revised to make it possible for District Units to enrol members directly (wherever there are functioning district units). Naturally wherever there are no district units the State Office will attend to enrolment in such areas.

In view of this we propose issuing enrolment forms directly to functioning district units. For this purpose we need the following information in respect of each district in your State/Region:

Name of the President;

Name of the General Secretary

Address of the unit for postal purposes.

We would like to have this information immediately as we wish to send them the revised enrolment forms which are expected from the press shortly. We shall, of course be sending forms to your State office as well for use especially in areas where no party organisation exists.

We trust you will give this your urgent attention.

Yours truly,

(Madhu Mahta)
General Secretary
