General Secretary's Letter No. 305

5424

Dear Friend,

Sub: Fifth Party Elections

The Sub-Committee appointed by the National Executive to settle the procedure and take all such decisions as are relevant to the Fifth Party Elections has taken the following decisions:

1. Last date for enrolment for purposes of Party elections:

The last date for enrolment for purposes of party election will be 31st August 1973. This does not mean that all enrolments will come to a stop after 31st August. Enrolment is a continuous process and should be round the year but what it means is that all those who have been enrolled on or before 31st August will be entitled to participate (vote and stand for elective office) in the Fifth Party elections.

2. Election Programme:

The following is the time-table for party elections settled by the Sub-committee:

- | | |
|--|--|
| 31st August | - Last date for enrolment for purposes of party elections. |
| 1st Sept. to 15 | - Certification of membership in the various States. |
| 16th Sept. to 30 | - Completion of elections at the Primary level and elections of Primary Committee representatives on the District Committee. |
| 1st Oct. to 15 | - Completion of elections of District Office Bearers and representatives of the District Committees on State Councils. |
| 15th Oct. to 30 | - Completion of election of State/Regional Executive Committees and representatives of State/Regional Councils on General Council. |
| 2nd half of October ^{November} | - Election of Office Bearers and members of the National Executive. |

In the past the printing of enrolment forms was the responsibility of State units while the National Headquarters supplied workers cards. It has now been decided that the National Headquarters will supply the enrolment forms as well.

Enrolment forms revised in the light of amendments to the Constitution at the Convention in Madras as also revised membership cards are currently under print.

Meanwhile in order that you can carry on with enrolment and not wait for our forms, I am enclosing herewith a specimen cyclostyled form and would request you to translate it in your regional language and make them available to your primary and district units till such time as printed forms and cards are received from the press and despatched to district offices and to the State Office.

Since the responsibility for the enrolment of members and the issuing of membership cards has been passed on to district units kindly let us have immediately the names and addresses of the Presidents/General Secretaries of District Committees in your State.

The sooner you comply with the above request, the better it will be so that needless delay can be avoided.

Yours truly,

Madhu Mehta

(Madhu Mehta)
General Secretary
