General Secretary's Letter No.259

March 17, 1971

Dear Friend,

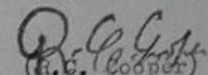

The National Executive and General Council will meet some time next month. By then, we would like to be ready with a report on our performance in the General Elections.

May I request you kindly to let us have your report on the performance of our candidates in your State. The report should contain

- (a) full details of votes received by various candidates in the constituencies where we contested including the total votes polled etc.,
- (b) reasons for our candidates' performance,
- (c) factors which in the opinion of your State Executive are responsible for the Party's poor performance in your State. The factors should, inter alia deal with the question as to whether the alliance helped or hindered us.

In order to enable us to study your report and prepare our own report for the General Council, we shall be grateful if you will let us have your report with the details asked for not later than the 31st of March. Please treat this matter as urgent.

Yours sincerely,

(R.C. Cooper)
General Secretary
