General Secretary's Letter No. 251

Dear Friend :

Subject : Sixth National Convention

In continuation of General Secretary's letter No. 247 of November 16, 1970, I now write to inform you of further details regarding accommodation, reception arrangements, etc., in connection with the next National Convention to be held in Bombay on January 30 and 31, 1971.

Accommodation

* The Accommodation Sub-Committee will be glad to secure hotel accommodation for delegates desiring such accommodation at their (delegates') own cost. A list of hotels in Bombay City with rates is enclosed (Annexure A). There is usually a tremendous pressure on hotel accommodation in January. It is therefore very necessary that requests for accommodation must reach the Accommodation Sub-Committee, Swatantra Party, Sixth National Convention, 143, Mahatma Gandhi Road, Bombay 1, not later than 31st December 1970.

2. The Accommodation Sub-Committee will also arrange free of cost dormitory accommodation food for those delegates who so desire. They will be accommodated at dharmshalas and various halls in Bombay, provided requests by the delegates who desire such accommodation reach the Sub-Committee not later than 5th January 1971 (the time specified for receipt by us of lists of delegates). Such accommodation will be free of cost from the afternoon of Friday, 29th January to the afternoon of Monday, February 1.

January being a cold month in Bombay, delegates who desire to take advantage of free accommodation are kindly requested to ensure that they bring with them their beddings and blankets as also a lota (for their morning ablutions). While it is not unduly cold, delegates particularly from the South might find a nip in the air particularly in the mornings.

Rail or Air booking for return journey

We have written to the Chief Commercial Superintendents of the various railways requesting them to help us in securing bogies in the case of those delegates planning to travel together. The General Secretaries of State Units are kindly requested to contact the concerned railway authorities in their States and pursue this matter in respect of delegates desiring such a facility.

* In regard to return journeys delegates who desire rail/air reservations should fill in the enclosed form (Annexure B) and forward it to :

The Convenor
Reception Sub-Committee
Swatantra Party, Sixth National Convention
143, Mahatma Gandhi Road
Bombay 1.

well in advance (preferably along with their request for hotel/dormitory accommodation) to facilitate easy compliance. Please note that the Convention Committee and the National Headquarters will be helpless to assist delegates

in the matter if requests for return journey reservations and hotel accommodation are not received by us in Bombay in good time. Booking of reservations by train can be made in advance as follows :

Airconditioned	.. 1 month in advance
First class	.. 20 days in advance
Second class	.. 10 days in advance
Third class	.. 10 days in advance (seat and/or sleeper)

Reception Arrangements

The Convention Organising Committee will endeavour to arrange for reception counters to meet incoming delegates at Dadar and Victoria Terminus railway stations (for those travelling by Central Railway routes) and at Dadar and Bombay Central (for those travelling by Western Railway routes) and at Santa Cruz airport where Party volunteers will be present to receive them. Immediately on arrival every delegate should report at the Reception counter whereupon he will be directed and/or escorted to his hotel or lodging. To facilitate easy identification it would be helpful if delegates wear conspicuously the Swatantra Party badge.

* Every delegate should carry with him his Worker's Card and a letter from his/her State/Regional Office in the form attached (Annexure C) identifying him as an authorised delegate. He should present this along with a delegate's fee of Rs.5/- to the National Headquarters at the Convention premises, whereupon he will be issued with a delegate's badge and other papers. The National Headquarters Camp Office will begin issuing delegate's badges and papers at the Convention premises between 4 p.m. and 7 p.m. on Friday, January 29 and again from 10 a.m. onwards on Saturday, January 30.

Visitors

Arrangements for free boarding and lodging are confined to accredited delegates and as far as possible delegates are requested not to bring visitors along with them. If however, some delegates do bring visitors the Convention Committee regrets that free food for visitors will not be possible. Such visitors will have to make their own arrangements for lodging in case room is not available in the dormitories and dharmashalas.

Yours sincerely,

R.C. Cooper
(R.C. Cooper)
General Secretary
