General Secretary's Letter No. 219

Dear Friend :

Sub: Renewal of Subscription

As you know under the amended Constitution all workers' subscriptions are now based on the Calendar year. 31st March of each year is the last date before which subscriptions should be renewed for the year.

I notice that your enrolment as on 31st August 1969 stood at 1300.

This is comprised of 871 Workers, 141 Life Workers, and 268 Life Members.

In other words 871 Workers have come up for renewal this year. In addition to fresh enrolment I trust you have issued the necessary instructions to your units at the primary and district levels to effect the renewal of subscriptions in their respective areas on or before March 31, 1970. I am drawing your attention to this in case it has escaped your notice.

The list of renewals and the Centre's quota in respect of all renewals must reach the National Headquarters on or before 15th April. This should not be difficult because you will undoubtedly not wait till 31st March to send us the lists of renewals in one lot but would send these to us in batches between now and 15th April.

Kindly note that no extension of time will be possible beyond 15th April for the submission of the lists of renewals and Centre's quota of subscription.

Yours sincerely,

R. C. Cooper
