My dear Minoo,

Thank you for your letter of the 15th and the expression of solidarity. As you say there is a great deal to be done outside Parliament. Your own idea to which you refer in para 2 of your letter is an excellent one.

For some of us the next few ^{Weeks} ~~years~~ have to be an agonising reappraisal of what we stand for, of what we do with ourselves and also with the organisations to which we belong.

Yours sincerely,

Mr. Minoo Shroff
