My dear Masani,

I have followed the news about the meeting of the National Executive and the expulsion of Sri C.C.Desai. I understand from Dr.Hande who has returned today to Madras that both he and Sri Mariswami voted for the expulsion resolution. The newspapers have wrong report that Sri Mariswami voted against the expulsion.

Perhaps I may suggest to you the feasibility of requesting Sri Morarji Desai to visit Gujarat so as to make the Gujarat people steady and not be gulled by Sri C.C.Desai or Baria into any wrong attitude. I hope Baria will soon decide to respect the National Executive's attitude.

Yours sincerely,

C Rajagopalachari
