My dear Maharaja Sahob,

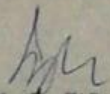

Your letter of the 7th.

You will have seen from this morning's newspapers that we have done the needful and we did not lose our nerve as you had apprehended.

There is a meeting of the Gujarat State Council called for Sunday the 19th. I hope you will take the trouble to be there and see that no further mischief takes place. You will be getting an official letter in that connection from the National Headquarters in a couple of days.

With kind regards and best wishes,

Yours sincerely,

(M. R. WASANI)
