My dear Ranga,

This is to acknowledge receipt
of your letter (3-4-70) and am sad to note
the tension in our Party over Gujarat, or
rather over Sri C.C.Desai. Your generosity
extorts my admiration.

My health is still not good.
It has not recovered its normal condition
yet. I am suffering therefore a great deal *and*
of dejection.

Yours affectionately,

C. Rajagopalachari
