Draft letter to M.P.s, Gujarat MLAs and members of State Executive

Dear friend,

At its meeting in Bombay on February 17, 1970, the National Executive had unanimously decided to call on Mr. C.C.Desai to explain various activities of his during the past two years and to show cause why disciplinary action should not be taken against him. A copy of the note sent to him which shows persistent acts of indiscipline and defiance of the Party's decision on various issues is attached. Mr. C.C.Desai's explanation dated 26th March has been received by this office. It is found to contain libellous attacks on the Party leadership accusing it of hypocrisy, bossism and all kinds of other crimes. Mr. Desai, far from agreeing to behave better in future, has insisted that everything he has done is justifiable and ~~says he~~ ^{proposes} to continue in this ~~matter~~.

The matter is coming up before the National Executive at its meeting in Delhi on 11th April for further action. In view of efforts that may be made to misrepresent the Party's position and divert attention from the gross and persistent indiscipline and disloyalty shown by Mr. Desai, it ~~was~~ felt that our colleagues in Parliament, the Gujarat State Assembly and the Gujarat State Executive should be supplied with necessary information and this is done in the enclosed three-column statement which in parallel columns, gives the relevant passages from the National Executive's note, Mr. C.C. Desai's explanation and the Comments on the Explanation prepared by National Headquarters.

Please note that this matter is for internal circulation and for your ~~own~~ information and not for publication.

Yours sincerely,

(R. C. COOPER)
General Secretary
