To

All members of the State Executive Committee.
Presidents & Secretaries of all Districts & Primary Units.
Members of the State Council.

Dear Sir/Madam:

At the meeting of the Presidents and Secretaries of the Districts and Primary units held at the Party Office on 22nd December 1973, the following important decisions were taken:

1. Membership.

As members are aware, the membership position of the Party is not encouraging. It was discussed and decided that at the District/Primary unit levels, strenuous efforts should be made to enroll more members. Besides the individual efforts that would be put in by members to enroll new members, it was thought necessary that representatives from districts/units should go through the electoral Roll (available at the Party Office) and pick up names and addresses of those persons who might be able to help them enroll new members from their respective areas in the constituency. This is all the more important because the Constitution provides that a Primary Unit should have members spread over from at least one third of the polling stations in the constituency. It is also useful if the old members who for some reasons could not renew their memberships are approached again with a view to get themselves enrolled as our members.

Members present at the meeting would recall that Presidents and Secretaries of all districts/primary units in Bombay area should meet again at the Party Office (143 Mahatma Gandhi Road, Bombay) on Saturday, the 5th January 1974 to review the progress made by each of them in this regard. Please make it a point to call at the Party Office on 5th January 1973, at 4-00 P.M.

2. Next State Executive Meeting proposed at Osmanabad.

At the last executive committee meeting, it was provisionally decided that the next meeting of the State Executive be held at Osmanabad. We propose to hold the meeting at Osmanabad on Sunday the 20th January 1974. Members who will be attending the meeting at Osmanabad are requested to inform the State Office immediately on receipt of this letter accordingly. Obviously to and fro journey expenses will be borne by the members themselves. Members from the Bombay area may please let us know their decision by Monday the 7th January 1974 at the latest clearly indicating whether they would like us to arrange for their railway/bus reservations. The Party will have to leave Bombay on 19th night and would be able to leave Osmanabad by 20th evening for Bombay. The required amount will have to be paid to the Office Secretary simultaneously.

Looking forward to hearing from you,

Yours faithfully,

Girish Munshi
General Secretary.
