My dear Mr.Narayanan,

As I told you over the 'phone I have got in touch with Mr.Magodia, Mr.Sadhu Singh, Mr.Ginwalla and Mr. Barot. They will be seeing me during the afternoon or in the evening. In the meanwhile if possible kindly keep ready the following:

(1) Electoral roles for the Bombay Central.

(2) Have we a plan of the constituency?

(3) I shall thank you to get the consent of Dhiraj and Pirzada to undertake the major burden.

(4) Kindly get a draft letter to Madhu ready for being despatched after we have obtained the informal consent of the other members of Bombay. I am enclosing a draft of the letter.

(5) I wonder whether we can collect information regarding Bhole from the Bombay Law Reporter office. He was appointed a Judge in 1968. Kindly get in touch with the Bombay Law Reporter Office over the phone. The number will be listed.

(6) Kindly get in touch with somebody who is connected with the People's Education Society. They might have some information about him. *Supplies may be made without disclosing that Swatantra Party is involved*

With regards,

Yours sincerely,
