My dear Mr. Madhu,

Some friend in the S.S.P. have sounded me about Justice Bhole of the Bombay High Court contesting for the Bombay Central constituency as an independent candidate.

I have sounded this to other members of the Committee who appears willing that the Swatantra Party, Maharashtra may support his candidature. Evidently moves are afoot to get support for his candidature from other various opposition parties. There is a chance of broad support being available to him.

I am carefully scrutinising his background.

As nomination date will be about 13th December by upto which are likely to be occupied there, I am informing this to you by letter.

The first formal meeting of the Executive Committee have been kept on the 13th of December after Sabarkanda election is over.

With regards,

Yours sincerely,

(Girish K. Munshi)
