MESSAGE

I have been kept informed of the good work done by the Matunga Unit of our Party these last few months. Unless the Party is strong at the grass roots, a strong organization can never develop even if the leadership at the top is in the hands of capable men.

I feel even happier to note the Matunga Unit's determination to stand on its feet, as evidenced by this programme and souvenir to collect funds. This is a good augury and it is to be hoped that our units elsewhere not only at the primary but also at the district and State levels will emulate the salutary example set by our comrades in Matunga.

Jai Swatantra.
