My dear J.P.,

The Statesman of March 8, reports from New Delhi, that you propose to convene an all-party conference on electoral reform in the first week of April. Just in case this report is correct, I hope you will give us, members of your Electoral Reform Committee, enough notice so that we can be present.

As it happens, I shall be in Delhi from April 20 - 24. If, by any chance, the Conference could be called over the weekend April 19/20, it would be just wonderful and would save me a great deal of expense.

Yours as ever,

M.R. Masani

Mr. Jayaprakash Narayan,
