My dear J.P.,

I got back from Europe last night.

I am very keen to see you but find I cannot leave Bombay due to existing commitments in Bombay and Deolali till the end of this month. I have today sent you a telegram (copy attached) and I am keenly awaiting your reply. What I would like to do is to arrive there at 1315 hours by IC 409 on Saturday, November 2, and to leave for Calcutta on Sunday, November 3, by IC 208 at 1355 hrs. If this is convenient please book a room for me with a private bath for Saturday night at the Republic Hotel unless there is a better one now. I shall await your reply to my telegram and letter.

I hope your health is reasonably good inspite of this strain.

Yours as ever,

M.R. Masani
