Attached to this is a cover containing a letter which Jayaprakash - whom I met in Madras a few days back - has asked me to hand over to you. As you are away in Delhi I am sending it to your office so that you may have it with you during the weekend.

As you will see, J.P. has left it to me to give you a clearer picture of their needs and expectations. I wonder if you will be so good as to spare me a few minutes for this purpose. If you give me a ring at my residence (364107) I will come over to your home and see you either on Saturday or Sunday morning. Failing that would you please let me know when I can call on you at your office next week in the afternoon as I shall be working at Tata Consulting Engineers every morning throughout the week?

Yours sincerely,

Minoo Masani
