Mr. Raju.

Yesterday evening Jayprakash made a request that I might give him the name of the Honorary Presidents of the International Congress for Cultural Freedom when one of them. he was ~~xxxxxx~~. This refers to the years upto 1957.

Can you kindly look into the old files ? You will find all the names of the ^{Honorary} presidents including J.P., Bertrand Russel and many others.

If I can have this on Thursday, 23rd August, I can give it to J.P. when I meet him. Many thanks.

21st August, 1973.
