

30th March, 1971

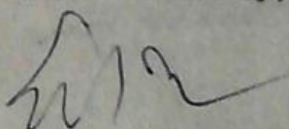

My dear Chowdhury,

Thank you for your letter of 17th February which was, for some mysterious reason, received by me only yesterday and for sending me a clipping of the editorial from the Indian Nation which I am interested to see.

I am afraid you will have seen that our hopes have been belied. We should now go in for an agonising reappraisal of where we all stand.

With best wishes,

Yours sincerely,

(M. R. MASANI)
